A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. Have the Torino 450 ml foam insulated tumbler printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This insulated cup has a screw lid and a side lock. This product is made of stainless steel, AS plastic, so you don't have to worry about the strength of the product. It won't break easily. On top of that, the product has a weight of 214 grams. So you know you have a quality article in your hands with good insulation properties. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
