A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. Get your logo and message printed on the Duke 500 ml copper vacuum insulated sport bottle for a professional image. Your clients, staff and corporate network will only be too happy to use this thermos product. The delivery takes place in a gift box. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 306 grams. So you know you have a quality article in your hands with good insulation properties. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
