

There are various materials and sizes of thermos flasks and mugs. IGO Promo has it all and ensures a print that lasts. Have the Thor 475 ml copper vacuum insulated tumbler printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This insulated mug features a durable powder coating finish. The thermal mug is closed with a snap-on lid. A special construction prevents the formation of condensation on the outside. The delivery takes place in a gift box. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! With a weight of 250 grams, you have a solid product in your hands. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Thanks to this thermos , your logo and message will remain visible to the recipients for a long time.
