

Whether with or without a logo, the Zora apron protects clothes from getting stained while cooking. The apron consists of 240 g/m² polyester (90%) and cotton (10%), giving the apron thickness and strength while still being soft and comfortable to wear. The two pockets on the front enable quick storage of kitchen utensils, and the towel loop provides convenient space for a kitchen towel. The apron is adjustable with a buckle around the neck and a tie back closure, making this apron a one-size-fits-all. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
