Getting warm quickly is not difficult with the luxurious Springwood soft fleece and sherpa plaid blanket measuring 150 x 125 cm. The blanket is made of a combination of 140 g/m² polar fleece and 180 g/m² sherpa fleece. This composition provides a soft and comfortable material that creates the necessary warmth quickly and retains body heat. In addition, it is lightweight and easy to maintain. To store the blanket, roll it up and put it in the included pouch with drawstring closure. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
