Do you want to leave a lasting memory? Then get key rings printed with your name or logo! The Lifesaver floating keychain is perfect for printing your message or logo. Thanks to the many printing options on the key ring, you're sure to boost your brand's image. This keychain may develop variations in density, color, size and weight during processing in the molding process. This means that precise and uniform printing is not possible here. The print can also tear. After you have sent us your logo for the key ring, we'll send you a free digital proof. Is this approved? Then we will immediately start the production.
