

Torches are popular promotional gifts and are versatile in their uses and the functions they offer. You can't go wrong with the Eye COB light with carabiner. A carabiner is attached to the light. It has an push power button for hard, soft and blinking light. The flashlight requires Button cell batteries included and inserted. The required number of batteries are included. With a laser engraving on this item, your logo will remain indestructible even under heavy use. As you can see, there are many different types of torches to suit all needs and budgets. Always make a good impression with your imprint on torches.
