

The Fairview men's lightweight down bodywarmer – perfect functionality to elevate your outdoor attire. This bodywarmer features elasticated binding on the bottom, offering a comfortable and slightly tight fit that adds protection against chilly winds. The outer shell fabric is made of nylon dull cire 20D woven with a water-repellent finish, ensuring exceptional durability and good protection against the elements. The lightweight material allows for easy movement and effortless wear throughout the day. The downproof pressed fabric prevents the down and feathers from escaping, ensuring long-lasting warmth and an extra level of durability. The down insulation is RDS certified (Responsible Down Standard), consisting of down and feathers, providing lightweight warmth without compromising ethical standards. A reliable companion for any outdoor adventure.
