Are you looking for a promotional item that your customers or business contacts will have in mind almost every day? Then a card holder with logo is the right choice for you. The Slim card wallet accessory for smartphones is convenient for traveling, the cards can be stowed away easily. This credit card holder is made of Silicone Plastic. The card holder is intended to be attached to the smartphone. Laser engraving is possible on this card case. This technology is particularly durable and scratch-resistant. You can get our promotional items at low prices anyway, but always remember: the more credit card cases you order, the cheaper the unit price will be.
