Are you looking for a promotional item that your customers or business contacts will have in mind almost every day? Then a card holder with logo is the right choice for you. The Fort-rock silicone RFID card holder with lanyard is convenient for traveling, the cards can be stowed away easily. This credit card holder is made of Silicone Plastic. This card case is RFID protected. This means that the cover protects the cards, which are mostly activated for contactless payment, from unauthorized access. Laser engraving is particularly suitable on this card case. Engraved card cases usually appear particularly noble and valuable to the recipient. We have many different credit card cases that can be printed with your logo at reasonable prices.
