

Drinking bottles come in all shapes and sizes. At IGO Promo you'll always find what you're looking for thanks for our huge selection of quality drinking bottles. With the Oregon 400 ml sport bottle with carabiner, you're choosing a distinct promotion of your brand indoors and outdoors. This bottle has a carabiner, but this is not suitable for climbing. This bottle is made of aluminium. Because this drinking bottle is made of very strong aluminium, it can take a battering and you won't have to worry about it leaking or cracking. Laser engraving is possible with this water bottle. This not only shows your logo precisely, but is also scratch-resistant. A big bottle isn't always a solution. Sometimes it's nice to have a more convenient size instead of a lot of volume. With 400 ml this bottle is perfect for a small thirst. You can request a sample model online. That way you can be 100% sure that you have made the right choice.
