Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. Have the LogoBoost 2500 Powerbank light up power charger printed with your logo and message for a professional look. We are sure your customers and employees will love using it. This powerbank has an input of 5V/800mAh and an output of 5V/1A. It comes with a micro-USB charging cable and user manual and comes in a box each. If you choose laser engraving, your logo will light up as soon as the powerbank is used. The material of this power bank is synthetic material, which is a guarantee for quality. Moreover, it has a weight of only 67 grams! So it is easy to take with you! And you can order them from 10 pieces! Furthermore, you can choose to have your logo printed on the power bank by laser engraving. This technique offers high quality and is long-lasting. When you print your logo on this power bank, you increase the visibility of your brand. You can order quickly and easily by filling in all your preferences on our order page, such as the colour, the printing location and the number of items. Send us your logo and you will receive a digital print proof.
