

Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. You use the Cubix Powerbank 4000 external charger more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This powerbank has a capacity of 4000 mAh. The powerbank has 2 output ports for charging 2 devices at the same time. Input and output 1 have 5V 1A, the output 5V/2.1A. The delivery includes a micro-USB charging cable and user manual and is packaged per piece. The material used, aluminium, makes the power bank particularly robust. Moreover, it has a weight of only 149 grams! So it is easy to take with you! Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
