

With a printed keychain or lanyard, you are close to your customer, because keys are used almost every day. Lago lanyard with break-away closure - this name says it all! Practical and chic and with your logo the perfect advertising medium. At the end of this lanyard is a useful metal carabiner. This lanyard has a useful security mechanism. As soon as a certain pressure is applied to the strap, the click closure opens by itself to avoid strangulation. You can get our promotional items at low prices anyway, but always keep in mind: the more lanyards you order, the cheaper the unit price will be.
