A torch is an important item. Everyone should have a torch in the car, and those who walk or cycle a lot should carry one with them anyway. The Seemii reflector light is a great item that your customers, employees and suppliers will love. This torch consists of light-emitting diodes, commonly called simply LEDs, which have a high level of brightness. This lamp has exactly 3 built-in light emitting diodes. The outdoor light has 3 bright white LED and one single LED steady blinking function. With a flexible silicon strap for easy connecting to your bike or bag. This flashlight draws its power from Button cell batteries included and inserted. The required number of batteries are included. Regardless of your budget, you are sure to find the right torches with us. Send us your logo and you will receive a digital proof before production starts. We only start production once you have confirmed this.
