Does your brand stand for enjoying life, staying active and working on your health? Then a printed drinking bottle is a perfect match to get your brand or message out. A Grom 650 ml sports bottle is ideally suited for printing with a logo or message. And thanks to the many uses of a drinking bottle, each print will give you extra visibility. The screw cap of the bottle is leakproof. Everyone who receives this bottle will be very happy that it is leakproof. Are you looking for a bottle made of aluminium? then choose this one. Because this drinking bottle is made of very strong aluminium, it can take a battering and you won't have to worry about it leaking or cracking. A big advantage of this bottle is that it can be laser engraved. So you not only have a high-quality article, but also your logo as an exclusive look. What's more, the 650 ml volume gives you a nice big bottle that isn't empty after a few big sips. Aren't convinced of the bottles quality yet? Request a sample and see for yourself whether it is what you're looking for.
