Next to your busy social life and full-time job, it's essential to take time for yourself. Exercising is the ideal time-out for many people and a printed drinking bottle is therefore a very popular business gift. This bottle is not microwave safe and not for freezing. It has a non-slip base and comes in a gift box. This bottle is made of glass, silicone plastic. More and more people are deciding against plastics and other materials because they can affect drinking water. With this glass bottle, you don't have to worry about those microparticles. A big advantage of this bottle is that it can be laser engraved. So you not only have a high-quality article, but also your logo as an exclusive look. With a volume of 600 ml, there is plenty of room for your favourite beverage.
