There are various materials and sizes of thermos flasks and mugs. IGO Promo has it all and ensures a print that lasts. The Vasa Aurora 500 ml copper vacuum insulated bottle is perfect for printing your logo and message. It promotes your brand inside and outside the home. Take advantage of the printing possibilities to increase your brand awareness. The delivery takes place in a gift box. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! With a weight of 296 grams, you have a solid product in your hands. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
