Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. The Vasa 500 ml marble copper vacuum insulated bottle is perfect for printing your logo and message. It promotes your brand inside and outside the home. Take advantage of the printing possibilities to increase your brand awareness. The delivery takes place in a gift box. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. With a weight of 296 grams, you have a solid product in your hands. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Still not convinced? Order a free sample on our website before placing your order. That way you know exactly where you stand.
