There are various materials and sizes of thermos flasks and mugs. IGO Promo has it all and ensures a print that lasts. The Hugo 470 ml copper vacuum insulated tumbler is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. A special design prevents the formation of condensation on the outside of this insulating mug. The delivery takes place in a gift box. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 236 grams. So you know you have a quality article in your hands with good insulation properties. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
