Dishwasher proof No

A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. Thermos flasks and mugs are products that last a long time. Recipients take them with them to work, in the car or even on holidays. Take full advantage by printing your logo and company name on the Hugo 650 ml seal-lid copper vacuum insulated bottle. This vacuum mug features an automatic sealing method that makes it spill-proof. The delivery takes place in a gift box. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Hugo 650 ml seal-lid copper vacuum insulated bottle made of stainless steel are the perfect choice. On top of that, the product has a weight of 244 grams. So you know you have a quality article in your hands with good insulation properties. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
