A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. Have the Lagom 380 ml copper vacuum insulated tumbler printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. A special design prevents the formation of condensation on the outside of this insulating mug. The delivery takes place in a gift box. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Lagom 380 ml copper vacuum insulated tumbler made of stainless steel are the perfect choice. In addition, the product weighs 220 grams. Perfect for a good grip. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
