There are various materials and sizes of thermos flasks and mugs. IGO Promo has it all and ensures a print that lasts. Thermos flasks and mugs are products that last a long time. Recipients take them with them to work, in the car or even on holidays. Take full advantage by printing your logo and company name on the Hugo copper vacuum insulated gift set. This gift set consists of a thermal bottle (650 ml) and two thermal mugs (470 ml). It is delivered in a black gift box with gold-colored details. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! In addition, the product weighs 1140 grams. Perfect for a good grip. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
