

With a printed key ring, you ensure that customers are reminded of your company every day. The Bezou light-up key light is perfect for printing your message or logo. Thanks to the many printing options on the key ring, you're sure to boost your brand's image. This keychain is on a metal key ring. The key light consists of a single white LED light with a push button switch on the back. It is ideal for engraving as your logo can be seen when the socket is pulled out. The key ring includes batteries. Laser engraving is particularly suitable for this key ring. Engraved key rings usually appear particularly elegant and valuable to the recipient. Not sure yet?
