

Whether you're going to work or out for the day, you always have your keys with you. A key ring with your logo will therefore travel wherever you go. We have a wide range of key rings that can be printed according to your requirements. The Lech roller clip is perfect for your logo! This keychain is great for trade shows and employee badges. It can also be used as a key ring holder and has a belt clip. After you have sent us your logo for the key ring, we'll send you a free digital proof. Is this approved? Then we will immediately start the production.
