

Drawstring bags are now often referred to as backpacks because they can be carried on the back just as easily. At IGO we can print backpacks with your logo and company name to ensure that the Oriole premium drawstring backpack 5L generates extra publicity for your company. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case. Because this bag is made of 210D of Polyester, you are assured of a quality product. In addition, this backpack weighs a mere 45 grams, so you are carrying a light bag on your back. With a capacity of 5 L, you know your things will fit in. With your logo or other imprint, these backpacks will make the right impression! Gym bags with print ensure that your logo or other company print will always be seen.
