Travel bags and sports bags are great promotional gifts for employees, customers and suppliers. The Proton travel duffel bag creates special attention for your company. This bag is made of Dobby nylon. In addition, the bag weighs 1159 grams, which makes it a sturdy product. The advantage of travel bags is the large print area! Travel bags or sports bags with a print ensure that your logo or other print of your company will always be seen. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
