At IGO we can print backpacks with your logo and company name to ensure that the Dipp sailor duffel bag generates extra publicity for your company. Like every duffel bag, this one also has a drawstring. There is a separate zip compartment in the lower area. Would you like to show that your company is committed to sustainability? This backpack is made sustainably with 600D of polyester. So you know you're making an environmentally conscious choice! The material of this bag is made of 600D of polyester, ensuring you will receive a quality bag that will last a long time. Furthermore, this backpack weighs 335 grams, which means you'll have a good, sturdy bag on your back. The big advantage is that backpacks have an extra-large area to print your logo! In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
