It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. By printing the Taylor 2200 mAh power bank with your logo and message, you're sure to generate extra publicity for your company! This powerbank has a capacity of 2200 mAh. The powerbank comes with a charging cable in a white box. The material used, aluminium, makes the power bank particularly robust. This power bank has a weight of only 83 grams. So you can easily take it anywhere. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
