

When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! IGO Promo can print the Taylor 2200 mAh power bank with your logo or other imprint. The moment you give it away, it immediately generates extra publicity for your company! One thing is certain, the recipient will be very happy. The most important thing about power banks is the strength of the battery. This one has 2200 mAh. The powerbank comes with a charging cable in a white box. Because this power bank is made of Aluminium it is hardly susceptible to impacts and can be carried in any pocket. Because it weighs just 83 grams, you can easily take it anywhere. Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
