When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! You use the Torque 5000 mAh power bank with type-C more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This powerbank has a capacity of 5000 mAh. This powerbank is equipped with a Type-C (5V/2A) input/output port, a Type-A USB output (5V/2A) and a micro input (5V/2A). The material used, aluminium, makes the power bank particularly robust. Because it weighs just 180 grams, you can easily take it anywhere. Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
