Want to make an impression with imprint? Then a card holder is definitely the right thing for you. The Premium RFID phone wallet is convenient for traveling, the cards can be stowed away easily. This credit card holder is made of Fabric. The card holder is intended to be attached to the smartphone. Most cards have so-called RFID technology, in which a chip can transmit data "contactless", as is used in many places for payment. This card case protects against unauthorized access to the card by third parties. Do you like this credit card case? Then order it now quickly and easily online. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
