Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. You use the Bliz 6000 mAh power bank with 2-in-1 cable more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This powerbank has a capacity of 6000 mAh. This powerbank has a 5V/2A output and a 2-in-1 charging cable that is compatible with all micro-port devices and iOS phones. Because this power bank is made of aluminium it is hardly susceptible to impacts and can be carried in any pocket. With a weight of 205 grams, you have a solid product in your hands. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. You can order quickly and easily by filling in all your preferences on our order page, send us your logo and you will receive a digital print proof.
