Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. IGO Promo can print the Plate 8000 mAh aluminium power bank with your logo or other imprint. The moment you give it away, it immediately generates extra publicity for your company! One thing is certain, the recipient will be very happy. This power bank has a capacity of 8000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank has a LED indicator that lights up while a mobile device is charging and shows the remaining battery capacity in the powerbank. It has an input and output of 5V/2A and comes with a USB-micro USB charging cable in a white gift box. The material used, aluminium, makes the power bank particularly robust. Because it weighs 240 grams, you can count on a strong power bank! Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting.
