Flashlights with a logo are very popular as promotional gifts and are often used. The Weyburn 3W cree LED torch light is a real eye-catcher. This torch consists of light-emitting diodes, commonly called simply LEDs, which have a high level of brightness. Dual use torch/lantern has super bright LED with light 4 light modes and zoom function. The lantern can be used either standing or hanging using the exclusively designed double carabiner. Includes removeable metal spring with front and back positioning. Manual in EN/FR/DE/IT/ES/NL is added for your convenience. The flashlight requires AAA batteries included and inserted. The required number of batteries are included. Laser engraving is the technique we recommend, especially for flashlights and other tools. This is abrasion-resistant and almost indestructible. Regardless of your budget, you are sure to find the right torches with us. Would you like to try the torches for yourself before ordering? Simply order an unprinted sample and see the quality for yourself.
