Are you looking for a promotional item that your customers or business contacts will have in mind almost every day? Then a card holder with logo is the right choice for you. The Zafe RFID credit card protector is convenient for traveling, the cards can be stowed away easily. This credit card holder is made of ABS Plastic. Most cards have so-called RFID technology, in which a chip can transmit data "contactless", as is used in many places for payment. This card case protects against unauthorized access to the card by third parties. Do you like this credit card case? Then order it now quickly and easily online.
