Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. You use the Jinn 2200 mAh power bank with rubber finish more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This powerbank has a capacity of 2200 mAh. This powerbank has a red LED light that flashes when charging. But when charging a device, the indicator light will be blue. A USB cable is included. The material used, Rubber, makes the power bank particularly robust. Weighing only 70 grams, you will hardly feel that you're carrying it around. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
