

Most people start the day with a warm drink – tea, coffee or even hot chocolate. So the day starts with a mug. If this is a printed mug with your logo, you accompany the user throughout the day. The Classic 300 ml plastic mug is the right mug for your company promotion. Mugs like those with a handle are the most popular. The mug holds 300 ml. This mug is made of SAN Plastic. With your logo or other imprint you make the right impression with mugs! Printed mugs ensure your logo or other imprint of your company is always seen.
