Does your brand represent activity, fitness and health? Then a printed sports bottle is the right thing to get your brand or message out into the world! The H2O Active® Octave Tritan™ 600 ml dome lid bottle & infuser certainly fits well with your advertising. A drinking bottle with your logo will be noticed again and again and used frequently and over a long period of time. This water bottle is made of Eastman Tritan™, 90% PP Plastic and 10% TPE Plastic, PP Plastic. Still not sure if this is the right bottle for you? We would be happy to advise you personally.
