A good workout, staying in shape and breaking away from the daily grind. These are excellent opportunities to draw attention to your brand with a printed drinking bottle. A Baseline® Plus 500 ml flip lid sport bottle is ideally suited for printing with a logo or message. And thanks to the many uses of a drinking bottle, each print will give you extra visibility. The bottle has a leak-proof hinged lid. Need a non-spill bottle? Then this is exactly the right one. This bottle is made of HDPE plastic, PP plastic. What's more, the 500 ml volume gives you a nice big bottle that isn't empty after a few big sips. And in case you still have doubts, you can always request a sample model so you know exactly what you can expect from this bottle.
