Even if a mouse runs across the table without a mouse pad, a mouse pad makes the movement more consistent and can make the mouse run smoother. If you have the Brite-Mat® mouse mat with tyre material branded with your logo and/or company name, you always make a good impression! This item is made of Laminated paper, Recycled Plastic, Tyre material. Mouse mat designed to work with standard balled and optical mice. Have you found the perfect mouse pad for your desires? Then we look forward to your order, but remember: the more mouse pads you order, the lower the price. Send us your logo and you will receive a digital proof before production starts. We only start production once you have confirmed this. So you are on the safe side when you receive your printed mouse pad.
