A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. The Kambukka® Lagoon Insulated 400 ml drinking bottle is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This insulated drinking bottle has a curved drinking straw and a universal cap. The closure is heat and dishwasher safe. The bottle also has a non-slip bottom and is 100% leak-proof. Please note: the pink water bottle (1123.62) cannot be laser engraved. This thermal article is from the high quality and popular brand Kambukka. All Kambukka products are designed and tested in Belgium. The brand uses patented drinking systems and gives great importance to the practical use of all items. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 307 grams. So you know you have a quality article in your hands with good insulation properties. With a content of 400 ml you can keep going without getting thirsty. Are you looking for a thermos flask or mug that is leakproof? With the Kambukka® Lagoon Insulated 400 ml drinking bottle you don't need to worry about spilling drinks in your car or your bag, or over the paperwork on your desk. Still not convinced? Order a free sample on our website before placing your order. That way you know exactly where you stand.
