Does your brand stand for enjoying life, staying active and working on your health? Then a printed drinking bottle is a perfect match to get your brand or message out. With the Nordvik 500 ml drinking bottle, you're choosing a distinct promotion of your brand indoors and outdoors. This leak-proof bottle is suitable for maintaining the temperature of cold or hot drinks. Everyone who receives this bottle will be very happy that it is leakproof. This bottle is made of stainless steel;bamboo. The extremely solid construction of stainless steel;bamboo ensures that this bottle doesn't leak or crack easily if it's dropped. And just as important, your logo stays visible for years to come. A big advantage of this bottle is that it can be laser engraved. So you not only have a high-quality article, but also your logo as an exclusive look. What's more, the 500 ml volume gives you a nice big bottle that isn't empty after a few big sips. You can request a sample model online. That way you can be 100% sure that you have made the right choice.
