Most people start the day with a warm drink – tea, coffee or even hot chocolate. So the day starts with a mug. If this is a printed mug with your logo, you accompany the user throughout the day. With your logo or your slogan on this mug, you will attract attention: Retro Silver Emaill Mug! The mug has a handle. Thanks to the capacity of 350 ml, this mug is just the right one. Thanks to its height, this cup fits under almost all standard household coffee machines. This mug is made of metal. With your logo or other imprint you make the right impression with mugs! No matter which mug you choose, we have over 75 years of experience and know exactly how to use which material.
