Minimum quantity: 50 Unit(s)

Material: rpet Capacity: 8 ml Length: 33.00 cm. Height: 40.00 cm. Weight: 37.00 g.

You're making an eco-friendly choice with this backpack made of RPET. The backpack is manufactured using sustainable materials. The material of this bag is made of RPET, ensuring you will receive a quality bag that will last a long time. With a weight of 37 grams, you'll hardly notice that you're carrying a bag on your shoulders. The backpack has a capacity of 7.7 L. Have your logo and message printed on the backpack and leave a lasting impression!

Drawstring bags are now often referred to as backpacks because they can be carried on the back just as easily. When you print your logo and message on the PromoBag RPET backpack, you have extra space to maximize the visibility of your logo! Do you want to contribute to a better environment?
