Features

Thermal articles are very popular. They offer the convenience of not having to drink your coffee or tea at home, but taking your drink with you on the road! Get your logo and message printed on the Mepal Thermo Bottle Ellipse 500 ml for a professional image. Your clients, staff and corporate network will only be too happy to use this thermos product. This thermal article is from the well-known manufacturer Mepal, who produces everything to do with food (on the go). Since 1950 new products have been developed again and again. However, Mepal's products are all designed to last. Because this thermos product is made of stainless steel;silicon;polypropylene, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 290 grams. So you know you have a quality article in your hands with good insulation properties. Don't feel like constantly getting up to refill your glass? This product has a generous capacity of 500 ml. And the advantage is; this thermos cup is leakproof! So you can take your coffee-to-go wherever you go. Still not convinced? Order a free sample on our website before placing your order. That way you know exactly where you stand.
