Double-walled, solid tumbler thermos. From the Rise collection produced by the Klean Kanteen brand. Equipped with Climate Lock™ vacuum insulation. This high-quality, handy-sized drinking cup is made from certified 90% post-consumer recycled 18/8 stainless steel. The flip closure prevents spillage and the narrow drinking rim provides a comfortable drinking experience when sipping coffee, tea, cocktails or other hot or cold drinks. This cup keeps drinks hot for up to 2 hours and cold for up to 8 hours. Finished with a durable and impact-resistant Klean Coat® powder coating. Easy to clean. Taste and odour neutral. Free from BPA, BPDS, phthalates, PVC and heavy metals. Climate Neutral certified. This cup has a great design and is also safe for people and the environment. Capacity 296 ml. Klean Kanteen is a member of 1% For the Planet and thus supports environmental organisations.
