Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. When you have the 10.000 mAh Fast Charging 10W Wireless Powerbank with PD printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This power bank has a capacity of 10000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank supports wireless charging of up to 10W - for suitable mobile devices - but also has a USB port for conventional charging of your device and an ultra-fast PowerDelivery Type-C output for charging larger devices with up to 18W. A special highlight of this powerbank is that it can be charged twice as fast as conventional powerbanks thanks to its fast charging input. It also has a charge level indicator. The Micro USB and Type-C inputs are 5V/2A, while the Micro USB Fast Charge and Type-C Fast Charge inputs are 9V/2A. Type-C and USB-A outputs are 5V/3A, 9V/2A, 12V/1.5A max 18W (PD 3.0). The delivery includes a PVC-free Type-C cable. This power bank is made of acrylonitril butadiene styrene (ABS), polycarbonate. With a weight of 218 grams, you have a solid product in your hands. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
