Good conversations in the workplace are usually associated with a good cup of coffee or tea. Your company's logo should not be missing. So a mug with a logo is a very good choice. The Auto leak proof tumbler could be a mug according to your taste. Thanks to the capacity of 300 ml, this mug is just the right one. It is particularly well insulated. Beverages can be kept warm for up to 3 hours. Drinks stay cool for up to 6 hours. Make an impression with this Polypropylene, Stainless steel mug. With your logo or other imprint you make the right impression with mugs! No matter which mug you choose, we have over 75 years of experience and know exactly how to use which material.
