Give card holders with your logo to make a lasting impression! The Standard aluminium RFID cardholder with PU wallet is convenient for traveling, the cards can be stowed away easily. This credit card holder is made of Aluminium, Polyurethane. This card case is RFID protected. This means that the cover protects the cards, which are mostly activated for contactless payment, from unauthorized access. The holder is suitable for up to 10 cards. A laser engraving gives this logo card holder a particularly elegant look. We have many different credit card cases that can be printed with your logo at reasonable prices.
